PA & LIGHTS

- A well sized PA system for the venue is assumed with a qualified sound engineer.
- Lighting is assumed to be organized by engineers unless otherwise agreed

NOTES

- All DI signals are quite well produced and require minimal processing
- Musicians control their levels for solos etc

CONTACTS:

- Jouko Hietala: 040 568 9845, jouko.hietala@kolumbus.fi
- Antero Aalto, 050 549 0375, antero.aalto@gmail.com
